**International Exchange 08. - 12. 08. 2022 and  
Summer School Practice Workshop 15. - 19.08. 2022  
within project ERASMUS+ - SCaLPEL**

We cordially invite you to take part in a week-long summer school of surgical training which will take place in Brno, the Masaryk University Faculty of Medicine, where in sophisticated simulation center with a number of dissecting rooms and anatomical material, students will have the opportunity to practice on surgical simulators and as well as training the procedures and techniques on human cadaveric material. The school would also give the students an opportunity to train their communication and presentation skills. The students attending summer school will formally recognise international participation in the training course in their official record and also get 2 ECTS credits. Program Erasmus+ supports the travel to the Brno of 180EUR and subsistence costs of 406 EUR per trainee.

If you are:

- 5th and 6th year students of the Faculty of Medicine,
- students of doctoral studies at the Faculty of Medicine,
- residents of orthopedics and neurosurgery

We are waiting for your CV and letter of motivation. Polish students are requested to enclosed confirmation of English on min. level B2 (FC, CA British Council or confirmation from Center of Foreign Language PUMS with grade min. good).

**All documents as the PDF scan, please send by June 30th, 2022, via email:**
